

# Where to get your 2009 H1N1 Influenza Vaccination

Revised 11-18-09

**NOTE: H1N1 Vaccine is not currently available at all community provider locations listed. Please call ahead to verify availability of vaccine.**

**For seasonal influenza vaccination locations go to <http://hawaii.gov/health/family-child-health/immunization/flu-shot-schedule.pdf>**

The following priority groups are recommended to receive the H1N1 influenza vaccine at this time:

- Pregnant women;
- People who live with or care for children younger than 6 months of age;
- Healthcare and emergency medical services personnel;
- Children and young adults 6 months through 24 years of age; and
- People 25 through 64 years of age who have medical conditions that place them at high risk for complications from influenza.
